### **3 Absence from tests**

- a) Medical certificates must be produced if student is absent for the test.
- b) Parent's letter is strongly discouraged and its validity will be approved based on a case-by-case basis.
- c) Absence from any test without a valid reason will result in zero mark for the test.
- d) Do note that student will have to do a make-up test on the day he/she returns to school.

With this information, we hope all students will be better prepared themselves for the academic demands in 2021.

Do feel free to contact the Mathematics teachers, Ms Joey Tan or Mrs Ivy Yee should further clarification is needed on this matter.
